

Seismic Behaviour of RC Frames with SIM and URM infill

By Shendkar, Mangeshkumar / Waikar, Milind

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | This comprehensive & well-organized book presents the importance of different masonry infills in reinforced concrete structures. In that, it deeply describes a new earthquake resistant masonry i.e semi-interlocked masonry. The text also focuses on the evaluation of Response Reduction Factor of RC frames with semi-interlocked masonry & unreinforced masonry. The text has been enriched with a large number of graphical representations and whole methodology for the evaluation of Response Reduction Factor. Intended mainly as a text for undergraduate & postgraduate students of civil engineering, this text would also be of considerable benefit to practising engineers & teachers in the field of earthquake resistant design of structure | Format: Paperback | Language/Sprache: english | 88 pp.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS
