

The Development of Taiwan's New Music Composition After 60's in the 20th Century (Paperback)

By Dr Chiao Jian

Ehgbooks, 2012. Paperback. Condition: New. Language: Chinese . Brand New Book ***** Print on Demand *****. Even though the book is focused on the study of Taiwan's music composition style after 1960, the author concisely summarized the trajectory of Taiwan's modern music development in a way similar to a General History review. The book not only provides the platform for the history background of the development of Taiwan's modern music, but also provides the convenience for the reader's quick navigation. Due to the shortage of published information and literature, the author mostly relied on precious first-hand materials collected from field interviews. The author not only introduced 9 important composers and 25 representative works with in-depth and comprehensive analysis, but also outlined a clear developing trail about the composition style of Taiwan new music, especially the classification based on artistic characteristics, which is particularly valuable, for instance: (1) 60's as the infancy of modern music (2) 70's as the period of ?traditional? and ?innovative? reflections. (3) 80's as the period of diverse avant-garde. (4) 90's as the period of coexistence tendency of ?innovation? and ?return to tradition? The book also consists of the...
