Excerpt from The Province Seal of New Hampshire Under William and Mary, 1692-1694: A Paper Read by Request Before the Bostonian Society, at the Stated Monthly Meeting, Held June 12, 1888 IN the publication of the material embraced within the following pages relative to a Great Seal of the former Province of New Hampshire, used during the joint reign of William and Mary, Sovereigns of England from 1689 to 1694, the author desires to, state that this monograph is but introductory to a more elaborate and thorough treatment of the subject of the Province Seals under the Crown, which he hopes to prepare for the press at a later period. In the brief description of the particular Seal in question here given, he has endeavored to outline the characteristics of the Province Seals, by illustration of the features common to most, if not all, as may readily be proved by patient examination. Before proceeding, however, to consider the period represented by this special form of the Seal which we are led to single out through reason of the preservation of the original die, by rare good fortune, to the present day - it is fitting that we review briefly the early history of the State which it represents.
