Condition: New. Publisher/Verlag: Little, Brown and Company | How Uber, Airbnb, and the Killer Companies of the New Silicon Valley Are Changing the World | The world today is vastly different than it was even ten years ago, and it is due to the upstarts. In THE UPSTARTS, Brad Stone provides the rollicking narrative that shows the how our latest--and perhaps greatest--technological wave was born | ONE OF AMAZON'S BEST BOOKS OF 2017 A look deep inside the new Silicon Valley, from the New York Times bestselling author of The Everything Store Ten years ago, the idea of getting into a stranger's car, or a walking into a stranger's home, would have seemed bizarre and dangerous, but today it's as common as ordering a book online. Uber and Airbnb have ushered in a new era: redefining neighborhoods, challenging the way governments regulate business, and changing the way we travel. In the spirit of iconic Silicon Valley renegades like Steve Jobs and Bill Gates, another generation of entrepreneurs is using technology to upend convention and disrupt entire industries. These are the upstarts, idiosyncratic founders with limitless drive and an abundance of self-confidence. Led by such visionaries as Travis Kalanick of Uber and Brian Chesky of Airbnb, they are rewriting the rules of business and often sidestepping serious ethical and legal obstacles in the process. The Upstarts is the definitive story of two new titans of business and a dawning age of tenacity, conflict and wealth. In Brad Stone's riveting account of the most radical companies of the new Silicon Valley, we discover how it all happened and what it took to change the world. | Format: Paperback | Language/Sprache: english | 501 gr | 232x153x26 mm | 384 pp.
