Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: French . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Si Le Heros (El Heroe, 1630), antidote catholique du Prince de Machiavel, solidement fonde sur la dualite thomiste entendement-volonte, semble osciller entre le manuel de conduite commune - possible raison d Etat individuelle - et le traite du politique, c est qu il n y a pas pour Gracian de solution de continuite entre l honnete homme qui vit sa propre histoire et le surhomme qui batit l histoire des autres. La difference n est pas qualitative, mais quantitative; mieux, elle ne tient pas a l etre, mais a l intensite de la circonstance.
