Narration, an account of Department, a division of a fact or event. a subject. Fiction, a creation of the Allied, joined with by fancy in imitation of some tie. the truth. Mathematics, the sciences Encounter, to meet face to that treat of form and face. number. Explore, to search into. Verify, to show to be true. You have no doubt learned that the earth upon which we live is a large globe. This globe, or sphere, is so large that it would take the fastest steam-ship about three months to sail quite round it. Being so large, but few persons can know much even of its surface, from personal observation. Yet we may all so learn something, and very much more from the collected reports of...
