THE RETURN OF COOL: INSPIRING THE RETURN OF WHAT REALLY MAKES A MAN COOL (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What Makes a Man Cool? What makes a man cool? Is it the way he dresses? Or, is it the way he walks with that slow glide like he's floating on air? How about the way he talks, with that deep tone in his voice? Is that what makes him cool? Or, could it be the way he wears his hat tilted off to the side, or his baseball cap pulled low? Maybe it's the cologne he wears or the car he drives-the car that makes everyone pause and take notice. Or, could it be his dance moves-how he's one with the beat, never missing a step? Perhaps, that's it. What about the way he treats a lady. opening up doors, allowing her to enter first? Or maybe it's the constant respect he shows her? How about the way he treats his children, building in them a strong level of confidence so they believe they can do anything? Is he a dreamer? Does he still have that drive to become the world's greatest at whatever he chose to do? Maybe this is what makes a man cool? In these inspirational stories, author Damon Redding answers these questions and more, providing very personal accounts. THE RETURN OF COOL is a collection of hard-earned life lessons. It is a thought-provoking guide that will instruct and mentor young and old alike about WHAT MAKES A MAN COOL?.
