Silver Link Publishing Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. The West Somerset Railway is Britain's longest standard gauge heritage railway and carries more than 200,000 passengers per year, making it one of Somerset's most popular tourist attractions. Passenger trains run during most months of the year, with services from early February to early December. In addition to offering an 80-minute pink knuckle ride through the Quantock Hills and along the Exmoor Coast, the Railway has also developed a number of combined packages with other local attractions including Dunster Castle and Hestercombe Gardens, as well as day trips around Exmoor and exploring the remains of the old West Somerset Mineral Railway. Here is the official West Somerset Railway Guide Book which is one of a set of three comprehensive books that Silver Link are pleased to produce for the railway. These beautifully illustrated, high quality full colour books, are of course not just to be enjoyed by those fortunate enough to visit the railway but make for interesting and informative arm chair reading. However once read a visit may well be placed on the agenda!.
