Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Materials for the History of the Town and Parish of Wellington in the County of Somerset, Vol. 3: Nonconformist History, the Independents Every one who knows Wellington, and who can look back even one generation, is well aware how permanent an element in the town is the strong love of independent thought in matters of religion, and those who care to investigate more deeply the history of the place will find that the same feelings and sympathies have dominated right back to 1662, the date of the Act of Uniformity. As one who has with singleness of purpose tried to gather together historical facts relating to the history of Wellington, and to see such data in their right proportion, I now offer to the town an historical narrative of that part played by the section of the Dissenters first known as Presbyterians and then as Independents. It is with a desire to do justice to the position of the Dissenters in Wellington that I am devoting at least three sections of this book to their history, and as the Independents are the oldest.
