## Game Programming for Teens

By Maneesh Sethi

Cengage Learning Emea, 2008. Taschenbuch. Condition: Neu. Neu Neuware, Importqualität, auf Lager, , Sofortversand - Game Programming for Teens, Third Edition is a fully revised version of the bestselling book. This new edition teaches introductory game programming skills and techniques using BlitzMax, a new, platform independent programming language. BlitzMax can be used on Windows, Mac, and Linux operating systems. The book helps beginning game programmers develop the skills they need to create every element of their first video game - from graphics and animation to sound and music. No previous programming knowledge is necessary, and by the end of the book readers will have created their first computer game. Do you enjoy playing video games and want to learn how to create your own Game Programming for Teens, Third Edition shows you how to design and develop a complete video game from start to finish, no prior programming knowledge required. You ll begin by learning the basics of BlitzMax, a simple cross-platform game programming language that can be used on Windows, Mac, or Linux operating systems. Once you understand how to write the programming code, you ll begin to incorporate all the graphical elements of games including varying colors, loading and...
