Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The King James Bible for Today is an update of the language of Authorized King James Version of the Bible. There are many translations of the Scriptures today but the 1611 King James Version is still known as the Authorized Version. Because of the loyalty to the Authorized Version it is time to produce a readable King James Version for Believers of today. This update is not a new translation. It simply updates the language of the most influential translation of the Bible in history to the English language as it is spoken today. It has been 246 years since that 1769 revision and the English language has changed tremendously in those 246 years. Updating the language of the Authorized King James Version from its 1769 English to present day English is a means...
