Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Tour of the 400: To Mexico To begin with The Tour of the 400 was a holiday and not a sight-seeing trip, therefore let it not be regarded as the writer's end to attempt to compass anything in the nature of a description of Mexico. The writer's inevitable end would be a foregone conclusion were such her intention. Instead this little work is written merely as a souvenir of their journey for the and for the possible entertainment of their friends. The foundation of the work was a diary hastily written en route in a system of shorthand all my own, so nearly undecipherable as to pass for Toltec hieroglyphics. In my translation therefrom I have formulated ideas suggested in the original journal and have filled out in sentences historical or other facts which were briefly noted, retaining as local color many trivial incidents not in themselves worth remembering, in the hope that they might suggest the environments in which they occurred. When I asked permission to print real names, one of the 400 made the Byronic remark. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
