Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Organization of Nursing: An Account of the Liverpool Nurses Training School, Its Foundation, Progress, and Operation in Hospital, District, and Private Nursing I have read the following pages with much interest. I regret that we have been so busy, and my strength so over-tasked, that I have only now been able to do so; but, once taken up, I could not lay it down till I had read it through in two sittings, and then I read it through again. I have studied all the Rules and Forms with the greatest profit and interest to myself - as indicating a master hand in securing that unity yet independence Of action, that personal responsibility and yet liberty, which are so vitally essential to the continuance and development of a great and wide charity like this.
