Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Oxford University Press, 1988. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Clear and concise survey."--James Grier, Yale University "An excellent guide to the Merovingian world, especially for my beginning graduate students!"--Coor, University of Arkansas "A history of the transformation of the Roman provincial world. All archaeologists will be grateful to the author for this large and beautifully produced work, since there has been no comparable publication. Geary is a gifted synthesizer."--Classical World "A marvelous synthesis and competent survey of Northern Europe after the German tribes entered the Roman Empire. Geary wrote this clearly and simply which makes it valuable for both an undergraduate and graduate audience."--Louis Haas, Duquesne University "Full of insights, related in clear and concise form, in a manner likely to appeal to and enlighten undergraduates. It will arouse a new interest in a period relatively neglected, even by medievalists."--Karen Nicholes, State University of New York, Oswego "This is a reliable and readable synthesis that makes good sense of recent research."--T. N. Bisson, Harvard University "A fine and important book. Geary really does know the literature in all the relevant languages. He is not merely a gifted synthesizer; he is one of the research scholars in the field. I would adopt it; I have been waiting for such a survey."--Edward Peters, University of Pennsylvania "An excellent survey of the Merovingian period. The integration of perspectives from political, social, and religious history along with material culture and archaeology explains Merovingian civilization clearly and .brings the Merovingians to life."--Karen Gould, University of Texas at Austin "The first book of its kind in English. very good. It steers a sensible course through minefields of controversy."--Thomas F.X. Noble, University of Virginia "A very revealing yet succinct account of a topic long considered confused if not irrelevant. Geary's synthesis is based upon firm control of early medieval sources and modern...
