The hourglass door has closed behind Dante, sending him back in time to hunt down Zo, Tony, and V. Although giving him up was the hardest test she ever faced, Abby knows that Dante is the only one who can stop the others from destroying time itself. But almost immediately, things start to change, and Abby's worst fears are realized when Zo begins targeting her past specifically. With each new change that ripples into her present, Abby's life continues to spiral out of control. Her relationships with Jason, Natalie, and even her family are threatened to the breaking point. Zo's power is greater than Abby ever imagined. Will her love for Dante be enough to turn the tide?.
