

Toronto Travel Guide (Paperback)

By Jason White

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Toronto has so many eclectic neighbourhoods that a random walk is fascinating in its own right. You might start in the Downtown area and then try other neighbourhoods around the city. You will also find that Toronto is the city within a park, with miles and miles of parkland following the streams and rivers that flow through the city. Edwards Gardens and the Toronto Botanical Gardens in the neighbourhood of North York might just be the place to start exploring this natural environment. Also the City of Toronto has designated various Discovery Walks which highlight both the natural and human history of the region. This travel guide will be a great supplement for your journey as you travel the city of Toronto!.
