Reviews

Very helpful for all class of people. Sure, it is actually play, nonetheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Carole McClure)

THE GREAT DEPRESSION: AMERICA IN THE 1930S

Little, Brown & Company. Paperback. Book Condition: new. BRAND NEW, The Great Depression: America in the 1930s, T.H. Watkins, The most devastating economic crash in modern times ushered in the Great Depression of the 1930s, which turned the lives of ordinary Americans upside down and left an indelible mark on the nation's psyche. In this lively and incisive history, acclaimed journalist and historian T.H. Watkins recounts an epic narrative of human suffering, social turmoil, and a political revolution that transformed the outline of American life and government - from unprecedented federal programs like Social Security and the Civilian Conservation Corps to local grassroots movements whose energies helped forge a new relationship between citizens and their government. Illustrated with more than 150 photographs and documents--many of them published here for the first time--THE GREAT DEPRESSION stands as the essential chronicle of a decade that shaped America's consciousness and character forever, in an age not unlike our own.
