AUTHORHOUSE, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. I have never written anything in my life before. I do not know why or how it started; after I was recovering from an operation at the age of sixty one in October 2005 I had a strong urge to start writing verse. Now I find I can t stop, in the four months since I wrote the first one I have written well over a hundred verses. You will find me scribbling away on scraps of paper, on a bus, when I am out with friends, sitting in the park more often I write them before I fall asleep at night. I enjoy writing them, but most of all I get the greatest pleasure by reciting them in the spiritual church I attend. I also write verses for my family and friends, plus anyone that is in need of some comforting words, especially those who are suffering a loss and need some solace. Most of all I wrote the verses to let anyone that reads them know that life does go on forever and there is life after this one. Remember God is always there just for the asking. xxx.
