Still Casting Shadows: A Shared Mosaic of U.S. History: Volume 1: 1620-1913

By B. Clay Shannon

iUniverse. Paperback. Condition: New. 609 pages. Still Casting Shadows: A Shared Mosaic of U. S. History breaks with tradition by presenting a holistic (rather than a white-centric and politician-dominated) portrayal of American History. It begins with the arrival of the Puritans at Plymouth, Massachusetts, and follows the descendants of two Mayflower passengers, John Howland and Elizabeth (Tilley) Howland, forward to the present day. Along the way, events as wide-ranging as colonial-era Indian battles, the defense of Little Round Top at Gettysburg during the Civil War, a devastating ambush in Vietnam, and a heroic deed by a California Highway Patrol officer are examined from the personal perspective of those on the scene. Much more than simply a volume of family history, Still Casting Shadows is a concise outline of American history. As such, it includes hundreds of short chapters that cover upwards of a thousand events of national import. Volume I covers 1620-1914, Volume II covers 1914-2006 This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- **Joshua Gerhold PhD**

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.
