Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Donald Trump is now the President of the United States. During his campaign he promised to Drain The Swamp and make America Great Again. So, it s now up to all Americans to help him so this because there s no way he can do all of that by himself. A Trumpocracy - The Rule of the People, By The People and For The People at all times utilizing the power of the Internet - is our greatest ally. Isn t it time you learned how to JOIN - // Now that Donald Trump is President of the United States and given that he has promised to -Drain The Swamp- and give the -Power To The People-, we need to do our part to help ensure that these two promises - the most important ones out of the hundreds that he made - come true during his first year in office. No one can effect the kinds of changes that Donald Trump plans for us without becoming Dictator, unless he uses the democratic process set up for us by the founding fathers of this great nation. If Donald Trump can really -Make This Country Great Again-, he must do it with our advise and consent. We also know that Trump cannot accomplish anything that even smacks of bringing the power back to the people utilizing a Congress who are bought and paid for by the huge Multi-National Corporations who love things the way they are. In Trade, for example, they currently ship billions of computers, phones, cars, trucks, building materials, even food without any tariffs. Trump wants to put up 35 tariffs on imported goods to prevent Ford Motors...
