# THE ART OF BUSINESS VALUE

IT Revolution Press. Paperback. Condition: New. 136 pages. Do you really understand what business value is Information technology can and should deliver business value. But the Agile literature has paid scant attention to what business value means and how to know whether or not you are delivering it. This problem becomes ever more critical as you push value delivery toward autonomous teams and away from requirements tossed over the wall by business stakeholders. An empowered team needs to understand its goal! Playful...
