THE IRISH LEGAL SYSTEM FOR BEGINNERS: THE HANDY INTRODUCTORY BOOKLET OF IRISH LAW (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This Introduction to Irish law booklet is a handy little number, it is compiled so that the most difficult and challenging terminology, rules and principles are explained, leaving you to enjoy learning about the law in Ireland without the headache of first learning terminology and confounding principles. Law and the legal system are at the heart of all aspects of life in Ireland, from buying a cup of coffee on the way to work to investing in your first (or any home), getting a job to opening a new business, law surrounds our every move, yet most people living in Ireland are unaware of its impact on their daily lives. The first time most people encounter the law is either, in a small civil matter, like contract issues, or minor road traffic offences, such as parking illegally or speeding etc. This basic introductory booklet is just that, a layman s guide, it is not meant to be an academic text book, it is merely a guide, however, saying that, many first year law students on the CPA, ATI and ACCA courses as well as year one legal proactive and LLB students find it invaluable as it introduces all the rules and principles in plain English and they can then get on with the important task of learning the terminology once they come to grasps with the principles. There is a self-test MCQ at the end of the book AND answers. **Warning; another disclaimer ** This booklet has at its core, terminology which is aimed at a novice, it has some terminology explained in plain English in brackets (like this) and explanations of core rules and principles (at the end of paragraphs), it...
