

## The Life of Pythagoras, or Pythagoric Life: Accompanied by Fragments of the Writings of the Pythagoreans (Paperback)

Filesize: 7.92 MB

### **Reviews**

*This composed book is excellent. This really is for all who statte that there had not been a worth reading through. Your life period will probably be change as soon as you total looking over this ebook.*  
(Cheyanne Barrows)

## THE LIFE OF PYTHAGORAS, OR PYTHAGORIC LIFE: ACCOMPANIED BY FRAGMENTS OF THE WRITINGS OF THE PYTHAGOREANS (PAPERBACK)

DOWNLOAD

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The present volume is a verbatim reproduction of Thomas Taylor s translation of Iamblichus s Life of Pythagoras, originally published in 1818. Iamblichus s biography does more than simply outline Pythagoras s life, but also provides many insights into the doctrines he taught, his methods of teaching, and perhaps most importantly, the lifestyle he promoted among his students: a lifestyle as applicable today as ever before. Many sound teachings on justice, non-violence, temperance, forbearance, and other virtues are given herein, along with teachings on lifestyle, community, politics and family life. To aid the reader in seeking out specific doctrines or ideas, we have provided a list of detailed contents for each chapter of the biography. Iamblichus s biography is a text that may be read straight through, or piece by piece, or one selection at a time. Much can be learned from even a basic perusal of the contents of any selected chapter, and many fine quotes on specific topics will be found by using the detailed contents to locate them. In addition to the Life of Pythagoras, Taylor included several other Pythagorean texts in his original publication. We have included these, along with few additional translations which he himself approved as worthy of study. Texts included in both the 1818 and present volumes are as follows: 1. Taylor s introduction and his translation of the Life of Pythagoras along with his Notes and Additional Notes, which shed much light on the subjects dealt with in the biography. 2. His collection of the Fragments of the Ethical Writings of Certain Pythagoreans. From the latter has been removed his rendering of the Sentences of Sextus (see editor s note in Taylor...
