Morgan James Publishing. Paperback. Book Condition: New. This item is printed on demand. Paperback. In Driven to Success, leadership and business crisis expert Jane Goldner, PhD, explains that the creation and maintenance of a healthy, cohesive and successful company depends on the leadership's willingness to regularly look under the hood and assess what's working, what needs improvement and what innovations can be made to take the company to the next level of success. Why search under the hood? Because being proactive produces far better results than being reactive. Driven to Success is a step-by-step guide designed to help business leaders propel their organizations to the next level of high performance. The book's 10-Point Checkup allows readers to evaluate their actions at a glance and hold colleagues and employees accountable for doing the same. Dr. Goldner's Business Operating System Solution for Enterprise Results (BOSS) helps build internal alignment across the company and through all systems which is required to attract, develop and retain talent on the road to becoming highly successful. This item ships from La Vergne, TN. Paperback.
