Reviews

It is one of the best books. Indeed, it really is playful, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

But what happens when Ms. Sue crosses the line? Somebody's going to end up in the big house. (And by big house we don't mean a big house!) Dan Gutman's hugely popular My Weird School series has sold more than six million copies to date and has a special following among reluctant readers. My Weird School gets kids reading! I didn't like to read, but when I read your books I loved reading. -Trent, Mrs. O's class. My son, who is in third grade, loves to read the My Weird School series. I find him wanting to keep reading even after his assigned time is up. He can't get enough. -Stephanie, parent. I just recently had parent/teacher conferences and had a parent in tears over how happy she is that her once 'frustrational' reader son is now sneaking to read your books late at night. -Amy, second-grade teacher.
