Their last encounter left Blackwell ruined, but his thirst for power grows stronger every day. He's readying for a war against those who would resist his rule--namely Elizabeth and the witches and wizards she now calls her allies. Having lost her stigma, a magical source of protection and healing, Elizabeth's strength is tested both physically and emotionally. War always means sacrifice, and as the lines between good and evil blur once more, Elizabeth must decide just how far she'll go to save those she loves.
