Realms Fiction. Paperback / softback. Book Condition: new. BRAND NEW, Blogs on God: A Unique Collection of Brief, High-Impact, This and Thats on God, the Bible, and the Human Race, James F Buckley, A collection of brief, high-impact essays on God, the Bible, and the human race, designed for quick and easy consumption. Each cleverly titled essay delivers a bit of enlightenment and entertainment. First-time author James Buckley takes a hard-hitting, no-holds-barred approach and kicks off the collection of more than 130 snippets of the Bible with one titled "6 6 6." Many of the other titles come straight from pop culture, referencing, ??and often satirizing, ??band names, television shows, song titles, and movies. Key topics include the plagues, Creation, the exodus, the miracles of Jesus, and other highlights from the Holy Scriptures. Each article begins with a scripture reference, followed by an in-your-face application for living in today's world. Nearly two-thirds of the scriptures are from the Old Testament.
