Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

CAMP KINEOWATHA, WILTON, MAINE: A SELECT SUMMER CAMP FOR GIRLS; SEASON FROM JULY 1ST TO SEPTEMBER 1ST (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Camp Kineowatha, Wilton, Maine: A Select Summer Camp for Girls; Season From July 1st to September 1st This movement assumes that the girl, like the boy, has a natural instinct for play; possesses the primitive taste for life in the open, and experiences, with the advent adolescence, a manifestation of the gang spirit in her desire for intimate associates. The purpose of the camp is to offer the girl ample opportunity for natural self-expression both in physical activity and in a wholesome, buoyant spirit of co-operation with others. It aims to divert her thoughts and ideals from the frivolous, artificial and deleterious aspects of modern social intercourse. It attempts to broaden her interests: by accentuating the wholesome pleasures of life and by encouraging the formation of habits that make for health and vigor. Its training tends to lead her to become a useful member of a group, and thus to proceed naturally from one sphere of society to the next larger one. The camp adapts its plan to the changing needs of the girl during the various stages in her development. It takes cognizance of the imperious demands of the self-centered ages of eight and nine; of the hesitating physical progress at ten or eleven; and of psychic changes at about twelve. Its restraining and sympathetic influence is exercised at the time when the good tide of physical strength and energy ordinarily reaches its maximum between the ages of thirteen and fifteen, with the attendant awakening of instinct and a spirit of independence and aggressiveness. It provides suitable means to meet the more moderate physical needs and increasing social demands of the advanced teens. About the Publisher Forgotten Books publishes hundreds of thousands of...
