

I Saw Them Die: Diary and Recollections of Shirley Millard (Hardback)

Filesize: 1.96 MB

Reviews

*An exceptional ebook and also the typeface applied was intriguing to read through. I have got read and i also am sure that i am going to likely to go through yet again once more in the foreseeable future. I discovered this pdf from my dad and i advised this ebook to find out.

I SAW THEM DIE: DIARY AND RECOLLECTIONS OF SHIRLEY MILLARD (HARDBACK)

Quid Pro, LLC, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Now in a library-quality hardcover edition with a modern, legible presentation, this is a true contemporary account of an American nurse's horrific - and sometimes bizarre - experiences while serving at a French battlefield hospital near Soissons during World War I. It has poignant layers which even the oft-naive author did not see. As our camion drove through the chateau gate we could see that the grounds were covered with what looked like sleeping men. That is just her own introduction to the unit, housed in what was once a country estate, and soon she was standing hours on end treating friend and enemy alike, facing harrowing hyperreality with aplomb. Shirley Millard is throughout a willing reporter of her fascinating perspective on war, youth, loss, and love - and always slapdash surgery and gallows camaraderie, inside a MASH unit before there was M*A*S*H. And before antibiotics, it is painfully clear. But she is also an unwitting reporter of so much more. The modern reader sees truths and wrongs that Shirley fails to experience herself, some at the time and too many upon rested reflection. The book compels attention not only on the level on which she wrote it, which would be enough to bring crashing home this forgotten war, but also on levels hidden to her. Either way the insights pierce through, as when the young French doctor sums up war: *La gloire, la gloire! Bah! C est de la merde!* He is a hero too, but has his own incongruous scenes later, just in his smoking habits alone. This collection of diary entries and later flashbacks may be the second greatest personal account of World War I, behind...
