By Viola Grace

Viola Grace, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Sky Breaking seemed like a useful course, but its usefulness lay in the amount of credits that would count toward Imara's degree. Once she is in the course, she meets the only other student, and they strike an unlikely friendship. Kitigan is a seer who has an interest in farming and apiculture, weather magic is part of that peculiar parcel. After a series of classes that turn into tests, Imara is happy to head to Kitty's farm for a weekend away from school, and Mr. E wants to head out and ride some sheep. Everybody has something to do, including the trespassing werewolf pack that just moved in next to Kitty's family farm. Imara has to walk the fine line between guest and defender while taking her Death Keeper skills for a spin. Her weekend is anything but relaxing.
