

Inner Wisdom: Volume I (Paperback)

By Hector Sampson

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What I call Inner wisdom is not exactly the knowledge we have acquired through our studies and/or experiences. Its some kind of information that just exists in our inner self and we all have access to it when we tune our mind into that frequency. To be able to tune into that frequency, we need to be aware of its existence and then once we connect with the Source, we all have access to it. It is like some sort of Universal Internet and the best of all is that is totally free, no hidden fees. But tuning into that frequency is not so easy sometimes, we need to quiet our mind and soul so we can listen to that little voice giving us all the information we need. And the process to reach that level is what some people calls Enlightenment. These collection of articles are part of those moments when I have felt I connected to that Source, it is not my wisdom, but information I have gathered and shared with other people around the world and it is the product...

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

-- Cathrine Larkin Sr.

Very useful to all of group of people. I actually have read through and so i am certain that i will planning to study yet again once again down the road. I am just very easily can get a satisfaction of looking at a created book.
