Education Without Compromise: From Chaos to Coherence in Higher Education

By Schaefer, William D.

San Francisco, California, U.S.A.: Jossey-Bass Inc Pub, 1990. Hardcover. Condition: New. Dust Jacket Condition: New. 1st Edition. From Publishers Weekly According to the author, an English professor at UCLA, an overlooked problem of contemporary education is "mindlessly mixed vocational and educational courses without continuity or coherence or anything approaching a consensus as to what really should constitute an education." Calling for rediscovery of traditional academic disciplines at all levels, particularly in institutions of higher learning, he focuses on the need for definition of the ingredients and parameters of liberal education in our age of exploding knowledge. This is an intelligent, sobering examination of his milieu by a teacher who believes that student consumerism and inefficient teaching are the betes noires of the contemporary campus. In an easy-to-read narrative with personal and historical references, Schaefer speaks to all who are concerned about the education of our youth. Copyright 1990 Reed Business Information, Inc. Ingram The emphasis in universities today is on career preparation, not intellectual development. ot prepared to enter a workplace where change and flexibility to adapt are facts of life; Schaefer, a professor at UCLA, answers the criticism with specific changes that must take place if we are to...
