

Le Peuple Grec: Esquisse Psychologique (Paperback)

Filesize: 6.22 MB

Reviews

This ebook is very gripping and fascinating. Sure, it is engage in, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

LE PEUPLE GREC: ESQUISSE PSYCHOLOGIQUE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Les decouvertes recentes de l archeologie et de l ethnographie ont modifie, sur des points importants, les anciennes idees relatives a la Grece. Quelles furent les origines et la nature de l esprit hellenique, tel qu il s est revele dans les arts, les sciences, la philosophie et la religion ? Les Grecs de nos jours sont-ils les descendants des contemporains de Leonidas et de Miltiade ? Et si cette filiation est contestee, sont-ils neanmoins les heritiers, pour une notable part, des qualites et des defauts de leurs devanciers ? Quoi qu en ait pu dire un jour Ernest Renan, revant sur l Acropole, il n y a point eu de miracle grec: dans l histoire des peuples, une fois qu on a fait la part des races, des milieux, des individualites, tout s explique par des lois de psychologie et de sociologie qui sont toujours en action; et c est pourquoi la bonne ou la mauvaise fortune des uns a toujours pu servir de lecon aux autres.
