Paperback. Book Condition: New. Paperback. 161 pages. From the worlds leading expert on finding people, disappearing people and pretext. The Digital Hit Man is the only book that teaches people how to create and use deception for the purpose of combating sites that violate your on-line privacy, be it scandalous information, negative information or the long-lost skeleton that digitally stepped out of the closet, now making your life miserable. The Digital Hit Man is written by the author of the bestselling book, How to Disappear: Erase Your Digital Footprint, Leave False Trails, and Vanish without a Trace. In his new book, Frank M. Ahearn divulges his weapons for combating the digital enemy. As a skip-tracer, Frank M. Ahearn has located thousands of people from all parts of the world, including celebrities, royalty and the infamous. Frank was the go-to guy for the UK tabloids in his heyday of skip-tracing, and prior to the phone hacking scandal. As a social engineer, he has obtained confidential phone records, bank records, airline records, credit card records and other sensitive information that he will take to the grave. As a disappearing artist, Frank operated his own private witness-protection program, and assisted victims of stalkers and others who needed to disappear from danger. Since there is no delete button you can use to rid negative on-line information, Ahearn now uses his skills of pretext and digital manipulation to combat the invasion of your privacy. AN EXCERPT: The Five Genes of Digital DNASELF is the information that you provided to third-party sites like Facebook, LinkedIn, blogs, Twitter, online comments and any other sites where you physically participated in broadcasting. PIV stands for Personal Information Violation, which is when someone posts your information or photo online without your permission. DATABASE is the information that sells for 9....
