

The Sociology of Healthcare (Paperback)

Filesize: 8 MB

Reviews

Complete guide! Its such a excellent read through. It is full of wisdom and knowledge I am very happy to inform you that here is the very best pdf i have got study inside my very own daily life and might be he very best pdf for possibly.

(Mr. Ronaldo Kulas)

THE SOCIOLOGY OF HEALTHCARE (PAPERBACK)

[DOWNLOAD](#)

Taylor Francis Ltd, United Kingdom, 2010. Paperback. Condition: New. 2nd edition. Language: English . Brand New Book. The Sociology of Healthcare, Second Edition explores the impact of current social changes on health, illness and healthcare, and provides an overview of the fundamental concerns in these areas. This new edition features a brand new chapter entitled 'End of Life' which will help health and social care workers to respond with confidence to one of the most difficult and challenging areas of care. The 'End of Life' chapter includes information on changing attitudes to death, theories of death and dying, and palliative care. All chapters have been thoroughly updated to address diversity issues such as gender, ethnicity and disability. In addition, expanded and updated chapters include 'Childhood and Adolescence' and 'Health Inequalities'. The text is further enhanced through the use of case studies that relate theory to professional practice, and discussion questions to aid understanding. Links to websites direct the reader to further information on health, social wellbeing and government policies. This book is essential reading for all students of healthcare including nursing, medicine, midwifery and health studies and for those studying healthcare as part of sociology, social care and social policy degrees. In an age when health policy follows an individualist model of 'personal responsibility' this book by Alan Clarke demonstrates with a vast array of evidence, just how much there is such a thing as society. An excellent overall book. Dr. Stephen Cowden, Senior Lecturer in Social Work, Coventry University.
