Createspace, United States, 2014. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. A Witch Shall Be Born is one of the original novellas by Robert E. Howard about Conan the Cimmerian. It was written in only a few days in spring of 1934 and first published in *Weird Tales* in 1934. The story concerns a witch replacing her twin sister as queen of a city state, which brings her into conflict with Conan who had been the captain of the queen's guard. Themes of paranoia, and the duality of the twin sisters, are paramount in this story but it also includes elements of the conflict between barbarism and civilization that is common to the entire Conan series. The novella as a whole is considered an average example of the series but one scene stands out. Conan's crucifixion early in the story in the second chapter ( *The Tree of Death* ) is considered one of the most memorable scene in the entire series. A variation of this scene was included in the 1982 film *Conan the Barbarian* with Arnold Schwarzenegger. Queen Taramis of Khauran awakens one day to find an identical twin sister, Salome, staring her in the face. As an infant, Salome was deemed a witch due to a crescent birthmark on her chest. This birthmark was believed to be a sign of evil, so she was left in the desert to die. However, a magician from Khitai (China) found her, brought her up, and instructed her in the arts of sorcery. Salome has conspired with Constantius, known as the Falcon, the Kothic leader of a force of Shemitish mercenaries, to take over the city state. Queen Taramis is taken to the palace dungeon, with the...
