Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.If you love to color colonial architecture from the nation s revolutionary city capital in the Williamsburg Virginia Geographic Area and the Historic Restoration district, this book is definitely a must buy! The book is filled with 30+ Gray Scaled Photographs of some of the historic and restored buildings, as well as alleys and back gardens you will find if you visit the area. This is one of four volumes of Gray Scale photos that concentrate on Window, Gates, and Doors. There are at least two creative ways you can use the illustrations in this book and the other three volumes: As a Coloring Book - pull the pages out, get out your crayons and colored pencils, and go to town in adding your interpretation of what colors the colonists used when they followed the founding fathers and the news from England as they lived through the revolutionary war. As a Scavenger Game - look through the book and see if you can identify the location of all the illustrations throughout the book. Mark the location page with the longitude...
