Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Lessons learned during a 40-day family-focused journey: It is a fact that we live in a world that at many levels has lost its capacity to connect families and make them stronger. With everyone in the house trying their best to move upward often sacrificing the family in their endeavor to get to where they think they want to be. It is refreshing to have a book that places you in the middle of life and aids you in learning, growing and experiencing life together. Together is the keyword, not on opposing teams, not on different sides of a battle, not enemies, not competing forces, but together as one unit, one family one vision.
