SPCK Publishing, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. This is a handbook to the Eucharist looking in detail at the principles of liturgical celebration as well as ritual instructions. This approach to the rite will show ministers how to enable the community to gather, encounter Christ in word and sacrament and be sent out in response to that encounter. This will help ministers to hold the liturgy together, with a sense of momentum which moves the community from the gathering to the dismissal, and which allows various members of the community to exercise individual ministries within the gathered setting.
