

Devops for Beginners: Devops Software Development Method Guide for Software Developers and IT Professionals

By Joseph Joyner

Tech Tron, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Isn't it surprising to see the application development team and the operations team working together? It is definitely is, as they are always in seclusion for a very long time. But now when they have started working together, the results are even more stunning. This concept of making the development team and operations team work together was introduced by DevOps process.
