After looking at the title, you may be tempted to bypass this book thinking - I don't need to study salvation, I know all about that. But before you do, ask yourself, honestly Am I absolutely sure that I know beyond a shadow of doubt the truth about what salvation is and that I have experienced it for myself? Personal salvation, because it is a life and death issue is far too important to get wrong. It is far too important to treat lightly or haphazardly. It is far too important to trust to someone else; whether that person be a Rabbi, a Priest, a Protestant Preacher, or even one's parents. It is not safe to put our salvation in another's hands! We need to know what salvation is, and experience it for ourselves. This book will help you better understand what the Bible teaches about salvation and how we experience it. This item ships from La Vergne, TN. Paperback.
