

Briticisms Versus Americanisms (Paperback)

By Pr Edwin W Bowen

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There is a considerable variation in the English language as spoken by the branches of the Anglo-Saxon. The English people differ from the American people in the use of the common speech not only in their characteristic mode of pronunciation and orthography, but also in no less striking a manner in the use of certain idioms and household phrases, which constitute the small change of our every-day speech. Notable eccentricities are to be observed in the English mode of pronouncing many proper names such as Derby, pronounced darby ; Berkeley, pronounced barclay ; Magdalen, pronounced maudlin ; Marylebone, pronounced merrybone ; Marlborough, pronounced mobrer ; Albany, pronounced so that the first syllable rhymes with Al- in Alfred, etc.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dr. Barney Robel Jr.
