Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A paranormal suspense which would appeal to the huge and fast growing fanbase of paranormal stories such as The Ring, The Shining and The Omen. Bright Links Dark Links delivers a spine-chilling tale of a couple who stumbled upon a demonic master plan to raise the dead. A bizarre part of this scheme is that only twins were involved, always with one missing and one left behind alive. Jeanie Shen, a young woman with the unwanted ability to see and communicate with spirits, goes on a blind date and meets Sam Wu, who has just moved into a large, sprawling bungalow, not knowing that it is the venue of two strange deaths earlier in the year. On her first visit to Sam s home to meet his family, the spirit of a frightened young boy connects with Jeanie and pleads for help against an evil man. Not long after, Sam is violently attacked at his home after a mysterious bottle the thief was stealing smashed into a million pieces. As they dig into the history of his place, a spate of missing boys hit the news, bizarre in that only twins were involved, always with one missing and one left behind alive. The same pattern was uncovered in similar incidents in other countries, confounding the police who, assisted by Jeanie and Sam, raced against time to stop a demonistic masterplan from taking place.
