Excerpt from Designing Boys and Juveniles Clothing: A Complete and Reliable System for Drafting All Kinds of Garments Mothers, regardless of their strata in society, are deeply concerned about the appearance of their children and at all times display great eagerness to dress them in the most fashion able manner. Hence, the designer who patterns the garment must understand their mental tastes and make provisions to con form to them. He must g1ve of his talents liberally, and patiently study the character of their style demands, which in a word are sensibleness and ornamentation harmoniously blended. It is with this realization that the author has written this volume. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
