**MEDICAL CHAOS AND CRIME (CLASSIC REPRINT)****DOWNLOAD**

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 386 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. Excerpt from Medical Chaos and Crime This book is mainly an exposure of the abuses that exist in the medical profession in this country, abuses that not only degrade the practice of medicine, but contribute not a little to the physical and moral deterioration of the American people. It would be futile to attempt to estimate the amount of human suffering caused by the ignorance, incompetence, commercialism, and criminal indifference of those who call themselves disciples of sculapius, but the evil may at least be pointed out and denounced, and this I have done. I presume that the result will be accounted sensational, although I have scrupulously striven to avoid any exaggeration, and have endeavored to present both sides of every question discussed. I have dealt rather briefly with what is known to the general public as medicine proper, that is, internal medicine, while surgery, gynecology and obstetrics occupy eight chapters, and repeatedly recur in nearly every other chapter in the book. This was not my original intention, but it happened that the surgical chapters were written first, and so overran the space I had allotted to drugs. I hope that time and circumstances will permit the preparation of a supplementary volume. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work.
