UPPING YOUR ZIGGY: HOW DAVID BOWIE FACED HIS CHILDHOOD DEMONS - AND HOW YOU CAN FACE YOURS (PAPERBACK)

Taylor Francis Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. David Bowie was one of the most famous men of his generation, and remains one of the greatest rock stars of all time. But while his flamboyant career in the public eye has been well documented, much less is known about his family history. In this new book psychologist Oliver James, bestselling author of They F*** You Up, Affluenza and Not in Your Genes, explores the mental illnesses that afflicted members of Bowie s family, and Bowie s fear that he too was destined for insanity. Three of his aunts became psychotic and his grandmother declared the family cursed. If most exceptional achievement derives from childhood adversity, so does nearly all mental illness. His brother Terry passed through the door marked Madness . Bowie opened it, took a good look around and then passed through the adjoining one, marked Artistic Self-Expression . Using Bowie s example, Oliver James shows the therapeutic value to us all of personas, illustrated with cases from his work as a therapist. He demonstrates how we can convert...
