Lulu.com, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This small book is an advanced book for those interested in Vedanta and Yoga philosophies, acting as a commentary on four verses of the great monist, Shankaracharya s monumental work, Vivekachudamani. It discusses these four verses taken from Shankaracharya s monumental work and places them in light of the greater systems of Vedanta as opposed to the commonly understood simplistic Advaita Vedanta notions such as mithya and maya.
