

## El Lissitzky (Hardback)

Filesize: 5.81 MB

### ***Reviews***

*I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at at any time of the time (that's what catalogues are for about when you request me).*

## EL LISSITZKY (HARDBACK)

ACC Art Books, United Kingdom, 2010. Hardback. Condition: New. Language: English . Brand New Book. El (Eleazar) Lissitzky (1890-1941) was a vital force in the revolutionary period in Russia. Having first trained in engineering and architecture and later becoming a painter and illustrator, his creative activity ranged across disciplines. This he called the interchange station between painting and architecture , and it made him enormously influential - as a painter, graphic designer, teacher, propagandist, exhibition designer, and also as an architectural theorist. Lissitzky had studied in Germany before the Russian Revolution, and after it he became a vital link between Soviet culture and Western art groups, travelling officially to present Soviet art in the West, but at the same time contacting many leading figures in Western art, including the De Stijl group in Holland, Dadaists in Switzerland and Germany, and artists and designers at the Bauhaus, as well as architects with international aims. He was a tireless creative force, and a determined traveller who brought many collaborative projects to a fruitful conclusion that involved connections across the political East-West division of Europe. Yet this determined and dynamic man suffered grievously from tuberculosis. From the sanatorium he still sent witty letters and drawings to his wife Sophie Lissitzky-Kuppers in Russia. In his last year he turned his abilities to designing Soviet trade fairs and, briefly, to propagandist war posters. The Design series is the winner of the Brand/Series Identity Category at the British Book Design and Production Awards 2009, judges said: A series of books about design, they had to be good and these are. The branding is consistent, there is a good use of typography and the covers are superb.
