Laptops for Seniors in Easy Steps (Paperback)

By Nick Vandome

In Easy Steps Limited, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. Laptops for Seniors in Easy Steps shows that portable computers are not just for kids. The book begins by covering the ergonomic issues involved with laptops and shows how to be as comfortable as possible when using and transporting them. It then gives an overview of the workings of laptops, including the software that comes with them. Topics such as using a laptop on vacation and sharing it with other family members are explored. The book also thoroughly describes networking and wireless use, with particular attention given to accessing the Internet from wireless locations (hot spots) such as airports, cafes, and libraries. Laptops for Seniors in Easy Steps demonstrates that anyone over 50 can have the freedom to take their computing and wireless technology with them at all times and be members of the mobile computing revolution.
