Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

MESSAGE IN MY PEN

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Like a mother giving life to her baby as she ushers him into the world, Luella Hill-Dudley gives life to her words as she pens them on the pages of her newest book, Message In My Pen. Her poetry is likened unto a smorgasbord, where there is something for everybody, from the young to the old and the in between. Luella, winning against all odds, becoming motherless at the tender age of one-and-a-half years old, abused in the foster system and then reconnected with her father at the age of seven, has not experienced life as a bed of roses. However, she takes her experiences and make a blueprint for others to follow when challenged with life s perplexities. As you turn the pages, you will discover that poetry is nothing but a testimony of sharing from the depths of your soul. There is cleansing, washing, and healing of souls as the reader travels the journey with the poet. You will laugh and cry. You are there with the author. You will feel her pain. You are walking in her shoes, and through it all, you will gather the strength to triumph over the human spirit to conquer your fears and to heal your wounds. You will discover your purpose through your trials. And no matter what hand is dealt to you, after reading Luella s words, you will be inspired to walk in your destiny. You will find yourself on these pages. Her poem, O Fortunate One, reminds us of our duty to humanity. Excerpt: O Fortunate One, where are you? Am I not your sister, your brother? Our bloodline connections is through Jesus Christ. When my...
